Arosa – Experience Added Value

An imposing mountain scenery 1800 metres above sea level – that's the backdrop of how the Arosa Sports and Conference Centre greets its visitors. Revel in the idyllic setting of Arosa and experience nature at its finest. Combine these impressions with a seminar or a conference at the new multi-purpose Sports and Conference Centre. Professionally equipped facilities ensure a memorable and enjoyable event in Arosa.

The following facilities are at your disposal:

- Conference hall for 400 people
- Seminar rooms adaptable to your individual needs
- Multi-functional ice sports rink
- Plenty of sunshine and guaranteed snow
- Arosa – a place to relax and recharge your batteries
- High-altitude training camp at 1800 metres above sea level
- Nature in all its glory
- Long tradition of successful events and Alpine lifestyle

We look forward to welcoming you to the Arosa Sports and Conference Centre.

Meeting and Event Facilities

With the opening of the new Sports and Conference Centre, Arosa Tourism is now able to offer a complete range of conference and seminar infrastructure. In addition to the meeting facilities available in Arosa's hotels, the centre provides an extra capacity for around 2000 people covering an area of 2500 m². The ten different event rooms, all with natural day light, are perfectly suitable to accommodate small to medium-sized conferences, meetings, gala dinners, and sports or cultural events.

A PERFECT EVENT-DAY IN AROSA

Arrival Day

05:00 pm

Arrival by train

Comfortable, modern Swiss Federal Railway trains can whisk you from the traffic hub of Zurich to Chur in no more than 90 minutes. The RhB then takes you from the capital city of Graubünden to Arosa in less than an hour. Special rides on historic trains can also be arranged upon request.

Arrival by the Rhätischen Bahn (train) to Arosa

The natural beauty of the Schanfigg valley makes the journey from Chur to Arosa a very special experience. With a little luck, you may even cast a glance at some of our native wildlife (stags, roe deer, hares and squirrels).

Accommodation in a hotel of your choice

Arosa offers a variety of accommodation possibilities. The homey family hotel, the golf hotel, surrounded by the beautiful mountains or the 5* superior hotel leave nothing to be desired.

Event Day

09:00 am

Breakfast

Event participants with a fully packed day ahead need proper energy supply. Therefore, we suggest you fill up at the rich breakfast buffet of the hotel of your choice before walking over to the nearby Sports and Conference Centre.

10:00 am

Workshop at the new Sports and Conference Centre Arosa

The centre provides top level infrastructure and ideal conditions – amidst a beautiful mountain panorama, a high-class hospitality sector and many attractive incentive programs – hence, we are in a position to offer you a comprehensive workshop proposition. In combination with the many sports and cultural events, Arosa and its Sports and Conference Centre is always prepared to provide an interesting platform for extraordinary events.

The morning agenda of your ,perfect event day includes seminars and workshops – of course, the natural diversity of Arosa and the newly converted ice rink stadium are part of the program. The stadium still radiates the ambiance of the glorious days of the Arosa Ice Hockey Club's championship victories.

01:00 pm

Experience the rope course in lofty heights

The rope park in Arosa is the only one that belongs to the all-inclusive concept and is therefore free of charge for every guest staying overnight. The rope park area is located in the natural forest of the "Waldfestwiese" and only 5 minutes walking distance from the Sports and Conference Centre. With a mix of courage, skills and fun, the six different courses guarantee a unique experience for everyone. The rope park is open from June to October and the perfect outing destination for outdoor fans, companies and associations.

06:00 pm

A companionable evening at a hut rounded up with a torchlit descent – Local Bundner menu, including a nail hammering competition

Once you have reached your hut with the cable car, you can join everyone at the après-ski bar for an aperitif and show your skills at the nail hammering competition.

08:00 pm

Later you will be brought to the adjacent room where the chef's team has already prepared a local meal. Whether they will serve a Munggapfupf fondue or Bundner specialities like Pizokels, your culinary dreams will come true in Arosa.

Many legendary evening has been celebrated at a mountain hut and perhaps you will add another one or two, because time flies when you are having fun at the hut.

10:00 pm

Night time hiking with torches

Wander in the scented mountain woods in the flickering light of your torch. Away from the village the feeling of seclusion and solitude will be intensified. To make sure you will not get lost, a local guide will accompany you if you wish. We can also arrange for a pit stop along the way that will provide for an invigorating or warming drink.

12:00 am

Individual visit of Arosa's nightlife

Following the night time hike, it will be high time to explore Arosa's nightlife. You will find anything from stylish lounges, tasteful bars, busy 'places to be' to local town pubs. Dance your night away at one of the night clubs or sway to the music at a relaxed lounge. We warn you, it may turn into a late night before you know it. And you could possibly feel it the next day.

Have a good night and sleep tight!

At 1,800 m altitude and in this fresh mountain air dreams can be particularly mysterious!

Services

Consulting / Organisation

An experienced team is on hand to help organize your event from your initial enquiry through to the final follow-up. We make every effort to ensure that your event is truly memorable.

Technical Facilities

Our technical facilities fully comply with the very latest audio and lighting equipment. In addition to up-to-date projection and communication equipment, the entire building has ample Internet and telephone connections. If required, our technical team can also set up internal constructions just for your needs (stage, partitions, etc.). Thanks to the direct link between the seminar/conference rooms and the ice sports hall, our venue is ideal for trade fairs or product presentations.

Would you like special decorations or do you have particular technical requirements? Our renowned partner agency can help providing additional technical services.

Catering Options

Whatever you desire, we guarantee that our partners from Arosa offer a professional and creative catering service. This could range from a simple coffee break to a special cocktail party, a buffet lunch or a gala dinner. We take pride that all catering services are provided by local businesses, thus ensuring that your guests can enjoy an authentic culinary experience.

If required we are pleased to advice on the selection of catering possibilities available at the Arosa Sports and Conference Centre.

Incentive

Arosa Incentive invites you to hold your event in our stunning surroundings. In summer and winter alike, Arosa's mountains, picturesque lakes and top hotels offer the perfect setting to make your event a memorable experience. If required, the Arosa Incentive team will be pleased to deploy its local knowledge and enthusiasm to arrange everything on your behalf, from travel and accommodation to organising the programme for your seminar, conference or social activities.

Why not hold your seminar in Arosa, where you can breathe in the healthy mountain air, clear your mind and recharge your batteries during the breaks? Numerous indoor and outdoor activities are also available to help building team spirit, promoting communication, boosting commitment – or simply to enjoy. Whether you are looking for plenty of action or prefer to chill out in a cosy mountain cabin, do not hesitate to contact us and find out what we have in store for you!

Sports

As you stand in the revamped Arosa ice sports hall, you can still hear an echo of the glory days of EHC Arosa Ice Hockey Club. With its brand new infrastructure – ice rink, two new changing rooms (now totalling eight), fitness room, seminar rooms – and location at 1800 metres above sea level, the centre offers ideal training facilities for ice hockey and figure skating camps. In addition to the ice training facilities, which are available from the end of June to mid-April, there are plenty of other interesting off-ice opportunities, such as a synthetic grass pitch, an open-air ice rink, a rope park, a variety of jogging and mountain bike trails and a multi-purpose training hall. Other sports are certainly also very welcome in the ice sports hall. The ice surface can be quickly covered and has already hosted national handball matches and trampoline competitions.

We are delighted to help you plan your camp or event.

Event Culture Arosa

Events are highly valued and encouraged in Arosa. For many years, Arosa has offered its guests a wide range of outstanding happenings, including the Arosa Comedy Festival or the popular Arosa ClassicCar. Also new events, such as the IceSnowFootball, where former and current international football players challenge each other for the unofficial World Cup title, show that Arosa strives to keep in tune with time. These happenings provide the perfect occasion for company events, whether as a direct partner of the event or as a guest. Discover the experiences and emotions that connect your employees and will be remembered for a long time.

Top Events

Arosa Comedy Festival December

Enjoy eleven days of snow and comedy at 2000 metres above sea level: the Comedy Festival – Switzerland's biggest comedy and cabaret festival – has been held in the snow-covered Arosa mountains during the run-up to Christmas for nearly 20 years.

Arosa IceSnowFootball January

Arosa catches the football fever for two full days. The unofficial Snow Football World Cup on snow and ice attracts world football stars and promises unforgettable memories for all spectators.

CEO Olympic Games March

Every year, in the valley of Schanfigg the Arosa CEO-Olympic Games will be held. The event combines recreation, fun and performance in a splendidly challenging way.

Arosa ClassicCar September

In recent years, the reputation of the International Hill Climb Arosa spread beyond the borders of Switzerland and offered many highlights on and off the race track.

Accommodation

Arosa offers a variety of accommodation possibilities. Our guests have a wide choice from low budget to 5-star superior hotels and from lifestyle, romantic, sports, wellness & recreation to business hotels. Depending on the season, a total of 3,600 to 4,000 beds are at your disposal. We are happy to assist you in finding the perfect accommodation and help you with any special requests.

Gastronomy

By the same token, the high diversity is reflected in the wide range of restaurants. Arosa provides the entire spectrum of culinary delicacies – from regional specialities in a cosy Bündner dining room or international dishes (Italian, Asian, Mexican) to high-class gourmet dinners. Also in terms of ambiance, restaurants in Arosa offer plenty of possibilities: feel free to choose between rustic huts, modern restaurants, Italian Dolce-Vita or pure luxury.

Getting Here

Let your journey already be the start of a special experience. Because Arosa lies at end of the Schanfigg valley, you can enjoy the natural beauty of the region as you make your way up the mountain. With a little luck, you may even cast a glance some of our native wildlife (stags, roe deer, hares and squirrels). You can opt to drive to Arosa yourself, along a road with many hairpin bends, or you may prefer to travel in comfort with the Rhätische Bahn (RhB) railway from Chur to Arosa. Each option has its own special charm.

Our Tip:

Conference Ticket

With the Conference Ticket of the Rhätische Bahn (train) all conference participants travel individually and with a discounted ticket price from any Swiss train station to Arosa.

Arriving by Train

Comfortable, modern Swiss Federal Railway trains can whisk you from the traffic hub of Zurich to Chur in no more than 90 minutes. The RhB then takes you from the capital city of Graubünden to Arosa in less than an hour. Special rides on historic trains can also be arranged upon request.

Arriving by Car

Excellent road connections from the German-Speaking Part of Switzerland, Ticino, Southern Germany and the neighbouring countries like Liechtenstein and Austria to Chur make the mountain road to Arosa easy to reach for everyone. The final 40-minute drive up to Arosa along numerous hairpin bends is sure to be exciting and memorable. The underground parking garage Ochsenbühl right next to the Sports and Conference Centre offers plenty of parking spots.
